It looks as if Palm Springs is going to get an authentic eye-witness answer to that question which has been cluttering up the air waves for the past few weeks and for which many nickels have been invested in juke boxes . . . The Rev. Michael J. O'Connor of Our Lady of Solitude church, took off for Ireland this week. When Father O'Connor returns he should be able to enlighten us on that little brook, that willow tree, in fact, just how things are in Glocca Morra.

MAY WEATHER seems to be getting into stride . . . Since running considerable temperature last week, it's getting down below the 100s again . . . The weather set something of a record here last week. The minimum hit 115 degrees on May 3 . . . It wasn't until August 1 last year that the mercury got that high . . . June had three days when the maximum was 114, and in July, last year, the top was 114 twice at the tag end of the month. . . But there was nothing above 114 until August 1 when it reached 116 and the next day was the hottest of 1946—119 on August 2 . . . Who would like to start a "stay through August" campaign? . . . Some of us have to.

FOR A LONG TIME I've considered it a lot of nerve to charge for match folders which carried advertisements . . . Firms used to give them away to help spread their fame . . . But now you have to pay to be reminded of so-and-so's cafe or bar or somebody's sure cure for what ails you . . . But the crowning insult came last week when I asked Mrs. G. to pick up some match folders for me . . . At a local drug store they sold her a stack of book matches which advertised a cocktail lounge in Las Vegas. That's treason—after all the things Las Vegas has said about Palm Springs, too.

HERE'S ONE STORY about last week's Snow White ball at the Tennis Club that didn't hit the society columns . . . It was 45 that day, if you remember, and a shower was an absolute "must" before those white party clothes could be donned . . . But just at that time, a water main decided to fold up in one area of town and it looked like no soap. Well, maybe soap, but anyway, no water to use with it . . . Somebody got a bright idea and soon there was an odd-looking parade of bathrobe-clad figures, each carrying a towel, trudging up the road in the fading sunlight . . . The target for the late afternoon was Gordon Youngs' pool, the nearest one around . . . And the party-bound villagers got all nicely cleaned up, put on their slippers and robes, and hied back to don the white dresses and suits . . . Then Gordon Youngs had to clean up, too, the pool at last.

HONESTY is rearing its pretty head in The Desert Sun office. For the first time in as long as I can remember here, I've been allowed to retain my favorite kind of pencils until they are down to stub-length . . . Seems everybody likes my kind, too, they usually disappear after one sharpening . . . To use two bad puns, I got the "bird" from Partridge this week and raised a big wind from Gayle, both photographers . . . Seems in the turmoil of fair, elections and so on, I gave Gayle credit for a picture Partridge took . . . Apologies to both.

NOW YOU CAN GROW your own orchids—maybe . . . Anyway, this week came a letter from Juan Pastor, Quito, Ecuador, South America . . . Seems Pastor wants to add a little of his own good will to that Pan-American solidarity . . . "Orchids, from seed to bloom, in your own home, with South America's compliments and good wishes for a continued hemispheric solidarity," his letter starts . . . In it, he offers to send packets of orchid seeds with complete instructions for planting and care . . . All for free, except a ten-cent coin to defray cost of mailing . . . With each packet comes a folder of tropical exotics and general flora of South America . . . And he winds up with an invitation to drop in and see him when in Quito.

CITY EDITORS sometimes have odd inspirations . . . Hans Ohrt, Beverly Hills cycle enthusiast, who each year, pedals the 130 miles between his home and Palm Springs for the exercise, and Gene Sherman, Los Angeles Times writer who covered the Pacific war, met in The Sun office the other day . . . Seems that during gasoline rationing, Sherman's city editor thought it would be a good idea to test the efficacy of the bike as a means of transportation . . . So he assigned Sherman to ride a bicycle to San Francisco from Los Angeles . . . Ohrt trained Sherman for the task . . . "I got by all right," said Sherman. "Took me five days . . . Only thing was that I got fancy and wore shorts . . . Boy, did I get sun-burned!"

THE MAIL this week was gratifying . . . Most every one who grabbed his pen in hand, had something nice to say about the need for better street signs here.

New Plan For Hospital Is Assailed

Claim Formation of District Would Mean More Taxes

Charges that opponents of the proposed purchase of Torney General Hospital property are confusing the issue and creating a situation which will lead to higher taxes in the city, were made yesterday by Carl G. Lykken, chairman of the Civic Center and Hospital committee.

Under attack was the proposal of the newly created Taxpayers Protective association to form a special hospital district here involving the construction of an entirely new hospital establishment. This plan, the proponents of the purchase of the Torney hospital purchase declare, would place such a special district hospital under the political control and would force higher property taxes in Palm Springs.

FORMATION of the special hospital district as now advocated by the Taxpayers Protective association is being offered as justification for permitting the Torney properties to be sold to private individuals, he said.

"This truly is an amazing proposal," declared Carl Lykken, chairman of the Civic Center committee. "Here is an organization, organized to protect the taxpayers, recommending a project that can only mean more property taxes on homes, stores and other property of Palm Springs."

The committee head pointed out that opponents of the Torney purchase claim that taxes would be increased here to maintain the Civic Center and Hospital, a fact

which, he said, has repeatedly been refused, and then ask that a special hospital district be organized which would increase taxes and construct an entirely new hospital on which maintenance would be great.

UNDER THE PROVISIONS of a hospital district a special tax levying district, similar to a school, irrigation, flood control or any other public tax-raising body could be formed at a special election. It would be run by a board of persons elected in the usual manner. Bitter election campaigns would ensue for positions on the operation board, Lykken said.

As for taxation in the operation of a hospital district, the committee head pointed out that the one-year budget for the Riverside County Hospital requires \$800,000 of tax monies for merely operation expense alone.

TAXES WOULD HAVE to be raised for the construction of buildings and defray operating expenses. At the very beginning voters would be asked to float a giant bond issue.

"History proves that such a public hospital never has the income of a community hospital—too many persons, able to pay, insist on 'riding' for free," he said.

Don't Rush To Village, Ailing Told

Arkelian Families Strives to Prevent Arousing False Hopes

Avak Hakobian, faith healer who traveled nearly half way around the world to try and cure epileptic Vaughn Arkelian, 37, son of multi-millionaire Krikor Arkelian today withdrew into seclusion to seek it was announced, the religious inspirations which brought fame to him in his native land of Iran as a faith healer.

This announcement made by D. Arkelian, second oldest son in the Arkelian family, was simultaneously made with the statement begging persons afflicted with incurable ailments to stay away from Palm Springs until Avak has shown some evidence of his ability to cure Vaughn.

"WHEN AND IF Avak has cured my son Vaughn," the father declared, "I will be the first person to announce that fact to the world."

He went on to say that it would be a waste of money and time for people to come to Palm Springs when as yet the ability of Avak as a faith healer has not been shown.

"All we know about Avak and his ability to heal people are from reports that came to us from Teheran, Iran," continued the father. "He was brought to Palm Springs as a last resort to see if he could possibly cure my son."

"REMEMBER a small fortune has already been spent in an attempt to cure Vaughn medically. It was in vain. What does it matter then if a few more thousands are spent in bringing Avak to this country to see if he can do something for my son," the 76 year old millionaire declared.

"When Avak has shown an ability to do something for my sick son we will be delighted to tell the world," the elderly man reiterated.

AS FOR AVAK himself, he declared the type of publicity he has been receiving in the nation's newspapers. Through an interpreter he declared:

"I am not a faith healer, miracle worker or soothsayer; I would rather be known as a devout man of God. I do not perform miracles with the incurable nor do I heal them. Only through God, in answer to my prayers have cures been effected among the people of my country who have come to me for aid."

HE SAID his primary purpose in coming to this country was to try with the aid of God to cure Vaughn Arkelian and Mrs. Zina Nersissian, for three years the paralyzed wife of Frank Nersissian and close friend of Krikor Arkelian.

"When God through my prayers has cured these two patients of mine and not before then, will I attempt to see other ailing people."

Earlier he had turned down an offer of many thousand dollars for a story of his life declaring that he has no use for money.

"ALL DOORS throughout the world are open to me and I am given all the things necessary for my life here on earth. I do not need any of the material things such as money."

Frank Nersissian told The Desert Sun, that his wife showed a

Net Finalists Being Chosen in Play Today

The stage was being set today for some great tennis next Sunday afternoon at the Tennis club when Palm Springs' own home tournament reaches its climax.

Finalists in all four divisions were being decided today and tomorrow. Some have already been decided and are awaiting results of matches now being played to find out their opponents.

ONE FINALIST in the Men's Singles branch has been decided. Paul Lukas entered the final round by disposing of Russell Wade, 6-0, 6-0.

In the Men's Doubles, Hicks and Kettmann meet Wade and Beck and Long and Wilson meet Lukas and Vaile in the semi-finals.

IN THE WOMEN'S Singles, Diane Heller has reached the finals and her opponent will be decided by tomorrow night.

Three teams have reached the semi-finals in the mixed doubles. They are Briscoe and Vaile, Parker and Beck and Mr. and Mrs. Harold Hicks.

SCHEDULE for the finals at the Tennis Club Sunday was announced as follows:

Women's singles, 2 p. m.; Men's singles, 3 p. m.; Mixed doubles, 4 p. m.; Men's doubles, 5 p. m.

Some excellent tennis expected in the finals.

The tournament was sponsored by KCMJ, The Desert Sun and the high school.

Change in Bus Time Announced

Changes in bus time are now effective here, R. R. Dunlap, local Pacific Greyhound representative, said today.

Westbound busses leave at 7:40, 8:45, 11:03 a. m., and at 2:35, 5:15, 6:35 and 8:15 p. m., he said.

The bus leaving here at 9:10 has been discontinued.

He'll Stay Highway Bill Means Cash to Palm Springs

Resignation of Charles J. Burket as chairman of the city planning commission was presented to city council Wednesday but action was deferred.

Chairman Burket agreed to remain at that post until the planning commission completes its study of the proposed revision of the city's land use and zoning measure and submits its recommendations to council.

Burket had originally asked that his resignation be made effective not later than May 15 but agreed to remain on the job after consultation with council members.

Plans Set for May Festival

Final plans were set today for the Spring Festival scheduled next Monday evening on the Desert Inn. General Chairman Jimmy Shea said today that Bud Fleck's "Orchestra of the Stars" would be on hand to furnish the music for dancing and that intermission entertainment would be provided by entertainers from the various night spots here.

Ticket sales are booming, Shea said, and many merchants are planning to bring their entire staffs.

Most of them are planning to go direct from work and enjoy a swim before the party.

The barbecue will start at six o'clock and from then on it will be food, dancing and various kinds of entertainment.

Forestry Service Puts O. K. on Ride

By ANTHONY BURKE

With permission of the U. S. Forest Supervisor, William A. Peterson, in charge of the San Bernardino National Forest, which in a letter to President Raymond Cree of the Palm Springs Horsemen's association, this week, Barney Hinkle said that he and his committee for the Second Annual Palms to Pines Ride can now definitely lay out the route that will be ridden by the horsemen at month's end.

This letter came in response to a request by the riding group to follow a trail that would take them through much of the beautiful and rugged National Forest terrain close to Thomas Mountain and the Anza Valley in the hills about five thousand feet above the desert floor.

INCLUDED in the permission to ride through the area under Supervisor Peterson's control, are fire permits for the locations selected for camps. In addition, the

Highway Bill Means Cash to Palm Springs

City Manager William E. Alworth and city council members had an eye on Sacramento today.

There is a highway bill before state legislatures which has a vital effect on Palm Springs and other cities which took special census counts last year.

For the final quarter of the 1945-1946 fiscal year and for all of the 1946-1947 fiscal year ending June 30, 1947, the Village has been collecting its share of gasoline tax revenue on the basis of the new population, 7,213.

This was under special legislation which expires June 30.

If a measure now before legislature is adopted, the allocations will continue on the special census basis. If not, they will revert back to the 1940 count.

Under the former, the city will collect \$6,820 as it did this year. If it does not pass, the figures drop back to the 1940 census basis or \$3,280.

The city collects one-fourth for use on streets of major importance, the apportionments based on population.

Application Goes Without Protest

Application of Gordon Youngs for a license as beer and wine importer at his warehouse, 4220 East Ramon road, was before city council Wednesday night in a notice from the state board of equalization.

Council filed the application without protest.

letter states that John (Porky) Harris of the U. S. Forest Service, will accompany the group in order to take full charge of each camp and cooking arrangements, using the excellent equipment of his department.

The ride committee under Hinkle's chairmanship consists of Travis Rogers, Philip Delano and Frank Bogert. They have already toured by automobile as close to the trail as is possible and are now completing the necessary plans for transportation of horses.

\$19,000 Project Financed by City's Share of Gas Tax

The most extensive street improvement program ever undertaken in Palm Springs was set in motion Wednesday by city council when it approved recommendations of City Manager William E. Alworth for work on streets of major importance and entered into an agreement with the state highway commission for improvements on Palm Canyon drive.

Alworth presented a long report from City Engineer George Minturn which was approved by council. Minturn's program, according to the city manager, will make possible greater street improvements at less cost.

WORK on streets of major importance other than the state highway (Palm Canyon drive) will cost \$9,003.49 and will be financed by the city's accumulated share of state gasoline taxes which is now in excess of \$9,000 for this purpose.

Under the program, 9.2 miles of streets will be improved.

AGREEMENT FOR WORK on Palm Canyon drive, the state highway, which was entered into by council with the state, calls for improvement of 6.3 miles of Palm Canyon drive. There is now \$10,909.52 in this fund and the cost of the improvement will be \$10,246.24.

The plan calls for general maintenance of the highway, extension of the pavement from the edge of the existing improvement to concrete gutters between Alejo and Chino drive and Tamarisk road and El Alameda, and for surfacing from Ramon road to Via Salida.

THE PROGRAM also calls for repainting traffic lines and installing and maintaining new traffic signs.

A survey of speed zones will also be made on the state highway and changes recommended according to conditions noted in the survey. Proper speed zone signs will be erected as result of this survey.

AN IMPORTANT STEP toward street maintenance was taken when council approved recommendations of the city manager based on Minturn's report, for establishment of the city's own yards and an equipment maintenance program. Minturn's report showed possible savings which would enable more money to be spent on actual improvements.

He urged a city yard be established where all equipment would be kept under supervision of an expert mechanic who would keep it in repair.

STORAGE TANKS for road oil, gasoline and other materials are provided in the plan.

Location of the city yard would either be at the Field Club or at the airport. If at the latter place, the equipment would also be available for maintenance of run-ways, taxi-ways and road-ways.

As part of the program, the city is negotiating for acquisition of airport facilities such as an air compressor, grease hoist, battery charger, 1600 gallon oil storage tank, 6500 gallon tank for road oil, and gasoline station equipment including three pumps and storage tanks.

Representatives from the W. A. A. office in Los Angeles were here this afternoon to confer with city officials on the equipment.

Any Old Toys?

Leave Them at Fire Station Is Appeal

An appeal was sounded by the local Girl Scout committee today for donations of old or discarded toys.

During the summer months, Girl Scouts will work on these toys bringing them into repair so that by the time next Christmas time rolls around there will be an ample supply of toys for the needy children of the Village.

"Remember this when you are closing your house for the summer and leave all toys at the fire station where they will be collected by the Girl Scouts," was the appeal issued today.

Local High Tops Other Schools in Honor Students

"From panel discussions we got some very inspiring ideas on said Mrs. Kathryn Martin after returning from a C.S.F. convention held at Beverly Hills high school, Saturday, May 3.

As adviser for the Palm Springs branch of the California Scholarship Federation, she was in charge of Sandra Veano, Barbara Thompson and May Fordan, who represented P.S.H.S.

With "Scholarship for Service" as their motto, Mrs. Martin hopes to expand the membership, responsibilities, and privileges of the P.S.H.S. group after hearing about the wonderful things that are going on in the 50-odd schools which were represented by some 2000 delegates at the convention.

P.S.H.S. has ten per cent of the student body enrolled in the honor society which is a higher percentage than that reported by any of the other schools. Other schools pay tribute to their students by giving an award in an assembly each semester to the outstanding student in each department of the school. The work of the members is also recognized by allowing scholarship meetings to be held during a regular class period. Students also publicize the organization by performing regular services for the school. After the convention the delegates adjourned to the C.B.S. broadcasting studio. The Palm Springs high school group attended the "Mayor of the Town" program starring Lionel Barrymore and Agnes Moorhead and the "Bill Goodwin Show."

New Jersey was one of the original thirteen states of the Union. It boasts many important manufacturing cities and has a larger summer resort population than any other state in the country, both shore and mountain.

Indian Netters Trim Banning in Dual Match

By losing none of the "singles" matches, and only one of the two doubles, Palm Springs went all out to show Banning and the rest of the Riverside league as a whole, what a fine tennis team P.S.H. has, which, according to Coach John Weeks "is very good."

Banning had as their opponents in the singles, Don Williams, Tom Archer, Ed Wills and Jack Pendery. These boys were all victorious. In the doubles, Archer and Ed Wills, both victorious in the singles, teamed up, but lost, while Ben Chaffey and Nicky Nichols won their match.

All in all, Coach Weeks was very happy about the outcome of the trip to Banning and is satisfied that "we have a swell tennis team, and if nothing happens, we hope and expect to take the Riverside County playoffs."

Hard Work, Long Rehearsals, End For Senior Cast

By Tony Jupe)

Once again the houselights dim, and a hush comes over the expectant audience. The curtains part and the play begins. Once again the annual P.S.H.S. Senior Play is presented.

This year the Plaza theatre si again to be the scene of this annual affair. This year's play deals with the lovable misadventures of Henry Aldrich, the play being "What A Life," by Clifford Goldsmith.

Before this play could be put on, lots of hard work had to be done. Hard, grueling rehearsals were frequent and long.

SETS WERE BUILT and painted in the hot sun. Students studied their parts tirelessly. Behind this great activity is Mr. Irving Sussman, our dramatics teacher. During rehearsals many amusing incidents were encountered. The preparation of this play has been enjoyable and amusing.

The cast and stage crew are all popular students, who have given generously of their time and energy to put the play over. A great majority of the students in the Senior class are in the play.

PRINCIPAL ROLES are played by James Searles as Henry Aldrich, Sally Robinson as Barbara, Barry Miller as Mr. Bradley, the principal. Dozens of others are in the cast: Barbara Croft, Tom Archer, Tom Schilling, Ed Wills, Ralph Woodward, Diane Heller, Mildred Potter, Jeanette Ofstun, Don Williams, Phyllis Renville, Tony Jupe, to name a few.

The stage crew is large. Humberto Lopez is stage manager; Bob Hillery is electrician. Sound effects are to be created by Tony Jupe.

Varsity Seventh in Annual County League Spikefest

Saturday, May 3, the annual Riverside County League track meet was held at Riverside Junior college. Final standing of participating teams is not known, but records of individual members of the P.S.H.S. track team have been collected.

The varsity team placed seventh with only six members. The class C team placed third and the rank of the class B team is not yet known.

OUTSTANDING members of the P.S.H.S. track team were Tom Raphael, who took a first in the class B high jump and second in the class B 70-yard high hurdles, and Merlin Simpson who took first in the C 100-yard dash, and first in class C broad jump. Merlin's best jump of the day was 22 feet, 6 inches, but was counted a foul for jumping 1/2-inch over the take-off board. Individual records are:

CLASS A:
Barry Miller, 2nd pole vault.
Don Williams, tie 2nd in broad-jump.
Walter Bender, 5th in 100-yd. dash.
Walter Bender, 5th in 220-yard dash.
Warren Emery, 4th in 880-yd. run.

CLASS B:
Tom Raphael, 1st in high jump.
Tom Raphael, 2nd in 70-yd. high hurdles.
Robert Singelyn, 2nd in 120-yard low hurdles.
Robert Singelyn, 4th in broad-jump.

Dick Henson, 5th in shot put.
CLASS C:
Merlin Simpson, 1st in 100-yd. dash.
Merlin Simpson, 1st in broad-jump.

Reeford Shea, 3rd in 50-yard dash.
Relay team: 2nd in 440-yard relay: Cartean Aaron, Dan Mendoza, Reeford Shea.

Merlin Simpson, passed five boys to win 2nd place.
All members of the track team who placed 1, 2, 3, 4, will be entered in the Divisional meet, Saturday, May 10, at Riverside.

Dr. H. M. Karr Visits Campus at High School

Dr. H. M. Karr of the University of California visited Palm Springs high school campus Friday, April 25.

Statistics given to the office by Dr. Karr indicated that for the five years (40-45) the difference between high school grade points and university grade points was approximately one, and that the grade average for P.S.H.S. graduates at college and university was 1.4, which is a "C-4".

During the first semester of 1946-47 an average grade point was reported from eight colleges where P.S.H.S. students were in attendance.

No student in the 1946 and '47 college group had a grade below "C" and the average was a strong "C". A's and B's were sprinkled among the graduates' records.

Their average is the best yet made by Palm Springs high school graduates, according to the local school office.

We in America find ourselves slighting education at home, minimizing ideas and failing adequately to explain ourselves to other peoples.—Assistant Secretary of State William Benton.

It is the arithmetic of folly to suppose that 60,000,000 American producers can carry the burdens of the whole world. Certainly we can supply some food and medicine to alleviate hunger and suffering, but the economic heresy persists that we can rehabilitate the world.—Rep. Everett M. Dirksen (R) of Illinois.

BY LO LO
Here it is again — another week's accumulation of dug dirt in all its glory. Shovels have been racing like mad to get all this old stuff together in one big pile.

To put the light on the line of love life, we have a new and startling addition on the love list. Mary Louise Klug and Kenney Jackson are now going steady. Not only that but they are now members of the Kumfy Club. Hea!

Friday night was a great big night what with open house, a hayride and a huge splurge out at Jill's.

THE HAYRIDE was given by the unmentionable and went over with a real explosion. There to absorb the old hay loft atmosphere were Bonnie Sue and Klug, Shirley and Jack, Joy and Fern, Jeanette and unmentionable, Dora and Lineau, Billy Jo and Gunder, Babs and Delano, Jim Dart and his wife Dort and several more.

Ah Yes! Unmentionable went out for things in a big way as usual with loads of hot dogs and all that goes with them.

After open-house was over the Jugs all got together at Jill's house to throw a big birthday surprise party for Sandy and Earl. It was a big surprise for all, both of 'em, and it was such a shock to Sandy that she actually spilled tears over the whole

K., and Ralph, and Vicki, Sandy with Chuck, Earl with Katie. It was a regular old fashioned kiddie party all done up with ping and blue crepe paper decorations. There were even balloons. The two honoraries were given toys for youths of five and nine instead of fifteen and nineteen. There were jacks, a rubber doll, paper dolls and stuff like that for Sandy while Earl was simply overjoyed with, marbles, a top, toy dogs and numerous other objects of interest. The birthday cake, perhaps the most interesting tid bit of all was a huge viand with nine blue candles and five pink. What an event.

NOW SATURDAY NIGHT was just about the biggest night of the whole weekend. Nestled down in the deep dark depths of the haunted canyon was the party Dawn gave for Jackson. Another birthday party too! Awards Presented By Lions Leader To H.S. Orators

The Lions Club speech contest awards were made in a high school assembly Thursday by Harold Hicks, the president of the local club.

Cherie Mashburn won the first prize which was a \$25 War Bond. Mildred Potter won second prize of \$5.00; and Diane Heller the third prize of \$3.00. These students won these prizes for the speeches they gave before the Lions Club in February.

WHEN MISS MASHBURN won the local contest she was given the opportunity of competing with the winning contestants of other two towns. Miss Mashburn won over the contestant representing Banning and Beaumont, Phillip Wynans, but lost to the San Bernardino contestant who will go on to further competition.

Miss Mashburn will also receive other prizes for participating in these other contests.

Mr. Hicks said that the Lions Club is in back of the students in this project and that he is looking forward to a large group of participants in the contest for next year.

Coni Tilghman Wins Run-Off for Vice-Presidency

Coni Tilghman won the vice-president's seat on the P.S.H.S. student council in the run-off election held Monday.

In the regular election held April the 24th and 25th Miss Tilghman ran against Marilyn Elsworth and Fred Gates.

Because no one candidate received a majority of the votes cast, it was necessary to hold a run-off election between the two top candidates, Fred Gates and Coni Tilghman.

Those who will take the oath as Associated Student Body officers in the last assembly of the year May 28 will be:

President—K. K. Young.
V-president—Coni Tilghman.
Commissioner of Girls Publicity—Shirley Rinville.
Commissioner of Boys Publicity—Mort Goldberg.
Commissioner of Finance—Hazel Vieth.
Commissioner of Athletics—Humberto Lopez.

girl (me). Maybe it wasn't all such a big surprise to Jackson but it was none the less thrilling. The moon was mighty bright but no one was looking that direction. For those who had time there were hot dogs, potato salad and numerous other rare viands.

Out in the general direction of Magnesia canyon drove several rods upon this same moon-lit night. There were two jeeps that made their way all the way up to where the frogs croak and people don't. This was evidence of Ed Ewerts party but there are no definite reports of just who was there but it was no doubt a very mellow meet. Those who couldn't make it all the way up didn't seem to mind too much and showed the world that they could have a gay time anyway. There was that same old station wagon of Long Beach boys who made their way up to Snob Hill one night long ago. History repeated itself too in one respect. Besides this suicide squadron was Milton Knapp, Morie Aitkin, Ella Ruth Brown, Noma and Alden and still more. Ella Ruth got awfully mad at Milt. No wonder!

ON THIS SAME night because no section of town wished to remain calm and quiet Phil Borden tossed a very terrific barbecue. Some of the gang who took advantage of the rare setting of Phil's patio were Jackie and Phil, Connie and Joey, Ann and Nicky, Adele and "Dream Boat" Higgins, Marilyn and Conrad, Audrey and Ralph, Lois Earl and Tom, Donella and Mosely, Barbara and Don. After the meal it was "all out" for entertainment. There were ears and radio tuned to music for the party and then feet moving in good old square dance style with Mosely very aptly doing the calling this threw everyone into hysterics. To top everything of very fine Chris Borden and Eddie Knapp attached an "auto" bomb on Ralph's car. Neighbors sent the roofs right off their houses when at midnight, they heard a blood-curdling scream and then a huge explosion. But then Palm Springs is known the world over for its high explosives in the line of parties.

As a little filler it might be interesting to note that Jackie and Eddy broke up again. Never fear though they made up once more before the weekend was over. Joan Paulsen is still seen almost constantly with Jimmie Robertson who is not only good looking but can do everything from diving to dancing. Strictly expert. Maybe those aren't all his talents.

PALM VILLAGE is the scene of much water splashing with all Saturday Beeton, Miller, Jo, Red, Dawn, Jackson, Little Jackson, Mary Louise, Stenson, Ellsworth, Bob Bell, Ed Ewart, Barbara Croft and loads of others were there. Some of them went over to the lake for a while where Kenny made another worthy effort to sail a boat all in vain. And Virginia finally had her chance to be marooned on a desert island—but alone darn it! Sunday there was a regular party up Scorpion way. There was Mary Louise and Kenny, Charlene and Mac, Jo and Red, Dawn and Jackson, Coni and K. K., Virginia, Tom Griffith, Bill Lawrence and still others. The tarzan rope that swings out into the water made a great git with all the young tarzans and tarzanas. Virginia skinned her leg, Red almost broke his neck swinging upside down, Klug almost landed in the top of a tree but all went well so that's all for now while we're still alive to tell.

In a typical residence, 44.4 per cent of the heat is lost through roof and walls and it is to reduce this loss that both new and old homes are insulated.

Candiedly Speaking

WHEN A CITY can get a super-super bargain such as the Torney Hospital properties (which are offered to this city now at a cost of about one-third the actual value), and the voters refuse to accept it, they are making a mistake they and their children will regret as long as there is remembrance of it. Surely, the voters of Palm Springs will not make this mistake.

CONSIDER this: Not one cent of new revenue is necessary for the acquisition of this magnificent civic center; the payments can be made over a period of ten years, from the income of the city sales tax which became effective April 1, without interest on deferred payments.

FOR LESS than a half million dollars the people of Palm Springs can have a magnificent, well-equipped general hospital, a public park, an auditorium, a gymnasium, sites for public playgrounds, tennis courts, swimming pool, botanical gardens, desert museum, as well as complete up-to-date offices for all branches of the City Government, offices for County, State and Federal agencies. The present 1-cent sales tax will not only purchase all of these, but will maintain them indefinitely, without calling on the people to vote bonds.

ALL OF THESE things are needed now. If we don't take advantage of this opportunity, we will probably have to vote bonds to the extent of a couple of million dollars within the next few years to get similar facilities not as good—and bonds carry interest charges.

NATURALLY, some private interests are ready to pay three times the price the city would pay, for the Torney properties, and are hoping the voters turn down the offer. The city government, the hospital, and the desert museum have No. 1 priority above private purchasers, and are allowed a substantial discount because they are publicly operated.

WE CAN'T AFFORD to lose our hospital. This will happen if the city doesn't purchase Torney, and we'll then be without a hospital until other property can be purchased and a new hospital is built. The city is now renting buildings in various parts of town, and will have to vote bonds to the extent of \$300,000, it is said, for a city hall, if the city doesn't buy Torney. The Desert Museum, which attracted 10,000 people to its lectures in one month, has no place now for this purpose.

SURELY, every voter who investigates this offer, and who loves his town, will vote "YES" on May 20, for a Complete Civic Center at No Increase in Taxes. A Civic Center that will be the envy of every small city in the country. It will provide the facilities that we have long needed and that have been postponed too long.

LET'S BE PROUD of our town. We have some of the best people in the country living here. Let's keep them happy, and make Palm Springs even more appealing to visitors.

VOTE "YES" on May 20.

NEWLYWEDS—Mr. and Mrs. Harry J. Voelker Jr. (she is the former Jane Frances Ewart), who were wed at Our Lady of Solitude church Wednesday morning. (Frank Partridge photo.)

Miss Ewart Bride Of Harry Voelker At Ceremony Here

Jane Frances Ewart, daughter of Mr. and Mrs. Edmund J. Ewart of Rancho Mirage, became the bride of Harry J. Voelker Jr., of St. Louis at 11 o'clock Wednesday morning at Our Lady of Solitude, Catholic church.

The Rev. Michael O'Connor performed the ceremony. Peggy Parker was matron of honor and Joe L. Brown attended the bridegroom. A reception at the Tennis Club followed.

The bride is a graduate of the local high school and attended the University of Arizona. The bridegroom is a graduate of the University of Missouri and was stationed at the Army airbase here during the war.

Joe L. Brown was also at the Army air base during the war. He is the son of Joe E. Brown, famous moving picture comedian.

The camp for that night at Tripp Flats will be along side a famous old adobe which was formerly used by early day cattle rustlers. On Saturday, the group will ride around Hog Lake in the Ramona Indian Reservation, crossing the Bautiste creek which is deep in a beautiful and rugged canyon. They will then ride through Reed Valley to that night's camp at Juan Diego Flats.

ON SUNDAY, June 1st, they will return by another route to their starting point at Lerner Ranch where it is planned that a welcome home luncheon will be served to the riders and to which their wives and lady friends are invited.

Indications are that as many as 70 members of the organization are planning to enjoy this annual Spring ride and while some members will take their own mounts by private trailer to the starting point, the great majority will be hiring horses from Travis Rogers and George Rasmussen's Smoke Tree Stables.

Aviation Club Meets Here for Week-End Party

More than 100 members of the Los Angeles Aviation Breakfast club headed by that organization's president Gladys O'Donnell, spent last weekend in the Village. During the breakfast held at the Palm Springs hotel, Cliff Henderson, developer of Palm Desert was the featured speaker.

Saturday night sixty members were present at a dinner-dance held at the Palm Springs Tennis Club.

Most of those who were in the Village for the occasion flew here in their private planes. In his talk Henderson recalled for his listeners the first air derby in which women pilots participated. He also reviewed some of his experiences while an officer in the army during World War II. Leo and Felix of the Doll House, entertained at the breakfast, and Jimmy McGarrigle, vocal soloist of Long Beach sang several numbers.

Head of Taxpayers Association Says Civic Center Committee Erred in Time City Must Retain Torney Property

Lloyd Nix, president of the Taxpayers Protective association, yesterday declared that the Civic Center and Hospital committee has erred in public statements made relative to the length of time the city of Palm Springs must retain the former El Mirador hotel properties in event of purchase.

"The proponents of the proposal to acquire the El Mirador Hotel have stated publicly that the city will operate all of these areas for the purposes set out in their application for a period of not less than five years," but actually they missed it by a full 20 years," Nix said.

REFERRING to a War Assets Administration bulletin entitled "Real Property Letter No. 9 (Revised)," dated March 19, Nix went on to point out that in the disposal of surplus property with public benefit allowances claimed, the applicant is obliged to maintain the permanent facilities in place for 25 years.

continued, according to the bulletin, must be used for 10 years in place where public benefit allowances for health and education have been claimed.

THE FIVE-YEAR Clause, Nix explained, refers to facilities acquired for use off-site, providing they were purchased from W.A.A. for discount on the basis of use for health and educational discounts.

The Taxpayers Protective association president also said that failure to comply with the provisions of the bulletin will result in the government acquiring title to the property in question.

annual reports must be filed with the W.A.A. setting forth in detail just how the property was used in the preceding six months period and no deviation from the original intent will be permitted.

FURTHER, Nix explained that the 28-acre El Mirador tract is being sought by the city on the basis of discounts allowable to the Community Hospital, Desert Museum and that space planned for a park and recreational area.

"Even though the hotel proper does not fall into this classification of being used as stated for 25 years," Nix continued, "the grounds adjacent to the hotel proper are of no earthly use unless the hotel is included."

He said that even though the city of Palm Springs acquired the 28-acre tract, including the hotel as a site for city offices, it would be extremely difficult to sell the hotel as planned by the City of Palm Springs at a later date without including the grounds, bungalows and, of course, the swimming pool.

The trade journal Jobbers Topics gives the following advice to girls who want to keep their youth: Don't introduce him to any of your girl friends.

Former Captains at Air Base Meet Here; Both Now in Baseball World

Ex-captain Harry Voekler who was stationed at the Army Air Base during the last few months of World War II, was in the Village this past week-end on an important "mission." The occasion was his marriage to Miss Frances Ewart of Rancho Mirage.

Standing beside him as his best man was another former captain, Joe L. Brown, who was stationed at the airfield almost from the time it was activated as a military installation. Ex-Captain Brown was the special service officer and Voekler was his first assistant.

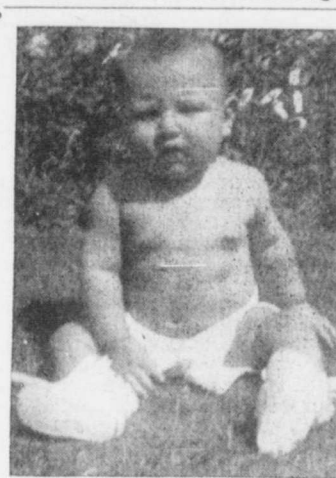

THE VAGARIES of civilian life, it was revealed, has placed both of these former officers in the same business—professional baseball. Brown represents the Hollywood Stars as publicity man and Voekler, is associated with the St. Louis Cardinals in an office capacity.

Following his marriage at Our Lady of Solitude church, Wednesday afternoon, Voekler announced that he is to report to Houston, Texas, where he will be promoted to the managership of that baseball organization.

VOEKLER first met his bride while she was employed as a stenographer in the offices of the Special Service department at the Airfield. After his discharge from the service, Voekler returned to his home in St. Louis where he later secured a position with the Cardinals. Before his entry into the army he worked for a time as an assistant in the sports department of the St. Louis Dispatch, afternoon daily newspaper.

In the service, he was attached to the 34th Field Artillery of the First Division and took part in the invasion of Italy.

We shall not trust alone to fickle words. Too many words, as at Yalta and at Potsdam and in Poland at this very hour, have been distorted out of all pretense of integrity. We ask nothing for ourselves. We ask everything for peace.—Sen. Arthur H. Vandenberg (R) of Michigan.

Work Under Way on New, Modern Bath House at Desert Hot Springs; to be Ready for Use July 1, Announced

Work on the new bath house at Desert Hot Springs is progressing rapidly, according to L. W. Coffee, developer of the resort across the valley. He expects to have it ready for use by July 1.

The new bath house will be 30 by 100 feet and is designed to provide space on the entire roof for sun bathing, badminton and like recreation.

All window frames and sash and door frames and doors will be of steel construction and the windows will be of blue prism glass.

Work was started on Thursday,

April 24. The main building will be completed by June 1st and Mr. Coffee anticipates that the bath house will be open to the public by July 1st.

Upon completion of the bath house, he expects to start construction of an additional warm mineral water swimming pool, 40x82½ feet, for national contests. The new pool will consist of every modern improvement from a sanitary standpoint.

Children's clothing to an estimated value of \$13,000,000 is returned to stores annually because of wrong sizes.

IF THE CITY GETS EL MIRADOR BANKRUPTCY IS HERE TO STAY!

HERE IS WHY

1. Perhaps the Sales Tax will return \$100,000 in the next year.
2. 25% or \$25,000 MUST go to the General Fund.
3. \$50,000 at least would be needed for maintenance upkeep and repair of El Mirador alone.
4. \$50,000 would be needed for the down payment on El Mirador.
5. \$150,000 AT LEAST would be needed for reconversion of the El Mirador property—maybe a lot more.

WHERE WILL THE MONEY COME FROM TO OPERATE THE CITY GOVERNMENT?

Let's help the City Council keep faith with the voters of Palm Springs and spend the Sales Tax money for the purposes for which it was voted.

What Goes on in Palm Valley

BY DON CAMERON

What a week this has been! Started Monday with the Mexican July 4th "Cinco de Mayo" and of course all of us paisanos had to celebrate at Jess Carrillo's El Charro Cafe in Indio.

Hangovers all over town following the reception at Mr. Dee's and Pogo Pogo for Jimmy and Ronnie Mack after their wedding Sunday eve.

Lorene Williams, manager of Palm Village's Sage and Sun Guest Apartments, married Marvin Emory, manager of Standard Oil Station in P. S., on Tuesday. Ceremony took place in Riverside. From Los Angeles came Melvin O'Reilly, brother of Claire Leahy and niece of Nancy Claire Mihan. Nancy's own engagement made the Tuesday L. A. papers when she announced her marriage to Van Kelsey. Date set for July 12th.

AN ATTEMPTED robbery took place at the Palm Village Market early Tuesday morning. Intruders got nothing but certainly made a mess of the doors when they jimmied them.

Cliff and Dorothy have been packing them in at Palm Village Inn. Had the Indio Women's club Tuesday p. m. At the P. V. Malt Shop, Ethel Bronte (no relation to the famous Bronte Sisters) was all smiles because their new beer license is expected any day.

Gabby Hays (bewhiskered film star) arrived in time to celebrate his birthday on Wednesday. With him were his nephew Ensign Clark Hayes of Portville, N. Y., and Lt. Harry Brown of Swarthmore, Pa. The Hayes own that beautifully landscaped residence on the corner of Portola and Alessandro. Visiting them are Dot's niece Katherine Laich of L. A., and Mrs. Gilman Phillips of La Crescenta. Mrs. Phillips owns a lot nearby and plans to build this summer. Gabby is quite enthused about his two pictures, just completed, with Randolph Scott in "Trail Street," for R.K.O., and "Albuquerque," for Paramount.

CARL HENDERSON tells me that the summer building program at Palm Desert is getting off to a fast start with eight per-

manent bungalows of the Lodge underway. The bungalows, together with a two-story Lodge starting as soon as Government permits allow, are being constructed by the Firecliff Corporation—a separate corporation from Palm Desert. Leonard Firestone and Clifford W. Henderson are the main interests. . . Palm Desert plans to have accommodations for some 150 persons by next season. Beside the Palm Desert Lodge bungalows there are private income units getting underway on beautiful residential income sites. Residential homes are beginning to appear throughout the development and from all indications, construction will continue throughout the summer. A number of Palm Desert purchasers will have new homes ready for occupancy next fall.

Next season should prove a gay one for Palm Desert with everyone enjoying the Shadow Mountain Club facilities; boating, swimming pool, tennis courts and cabanas which will be ready for sport lovers.

AT RANCHO MIRAGE, a lad named Lee Day from Don Manchester's Bombay did us all a favor. He bought the flamingo-colored house on the highway at the north end of the tract and immediately repainted it—but

green! That former hue had been mighty unpopular with local residents and hiway travellers but Lee's new color and swell landscaping job have made it a show-place. Another new home-owner is Dave Fall, Olympic Diving Champion 1928-32. Dave bought the new redwood house east of Hedy Lamarr. He maintains a Maritime law practice with branches in San Pedro, Long Beach and San Francisco. The Palo Verde Dress Shop on the Plaza in Rancho Mirage has been doing a nice business lately. Betty and Lois tell me that these warm days have helped their sunsuit and bathing-suit sales. Houses are going up so quickly out here it is hard to keep up with them. One in particular practically sneaked up on me. It is being built for Sigmund Kayne of Pasadena by Clarence Self of Palm Springs. Self told me himself that Wednesday was the 19th day and already the roof is on.

Bill and Jean Boyken are down from San Francisco enjoying their home on Hiway 111 and visiting with their old friends Margaret and "Doc" Claude Church.

Here I've gone on and on about Palm Village, Palm Desert and Rancho Mirage without even a word about my own pet project—Palm Dell. What a spot! The pink office is getting to be quite a landmark along Hiway 111 what with folks dropping in at all hours. For what? Why, to discuss the great potentialities of this wonderful new desert area, of

Eugene Consor New Secretary of State Ass'n.

Local realtors were interested today in the word of the election of Eugene P. Consor as executive secretary of the California Real Estate association. The election was announced this week by L. Louis Gairaud, president of the association, after a meeting of its board of directors in Los Angeles. Consor succeeds the late Glenn D. Willaman who had held that position for more than 25 years. Willaman died suddenly while making a talk before real estate brokers of this area at 29 Palms last December.

Bank of America Highest Bidder on School Bonds

The Bank of America Tuesday purchased from the board of supervisors of Imperial county \$112,000 in Calipatria School bonds, Fred Ingram, local branch manager, said this week.

The bank bid 2 1/4 per cent interest with a premium of \$129 per bond dated May 1, 1947, and maturing May 1, 1948-1952 inclusive.

This financing is for construction and improvement of school buildings and equipment.

Two months after the election the Republicans took over complete control of the Congress, selecting all the chairmanships and organizing the Congress. More than two months have passed since Congress was thus organized, and what has been accomplished? Practically nothing, Sen. Harlan J. Bushfield (R) of South Dakota.

Traffic Toll Goes Up. 69 Tickets to Drivers in Month

Circus Week and the Shrine Ceremonial, both of which occurred in April and helped to swell traffic here far above normal, were reflected in the accident report at police headquarters, 11 being reported last month, more than average.

In six of the crashes, injuries resulted and two were without injury. Three were listed as "hit and run with property damage."

DURING APRIL four felony arrests were made, according to Chief of Police A. G. Kettmann's monthly report filed with City Manager W. E. Alworth this week and presented the council Wednesday evening.

One case involved grand theft of money, another grand theft, auto, one a burglary and the fourth, receiving stolen property. Nineteen felony complaints were filed during the month, nine of them involving bad checks.

PROPERTY and money recovered by police in the month totalled \$5,725. It was pointed out by the chief that of the two jewel thefts here this season, the second one was cleaned up in April. In the two cases gems valued at \$12,000 were stolen. In each case, the criminal was identified, arrested, tried and convicted and all of the loot recovered.

During April, 94 were arrested on misdemeanor charges.

TRAFFIC CITATIONS topped the list with 69 being issued.

Despite the two big events of the month, only eight persons were picked up for drunkenness and one for drunk driving. Two belligerents were picked up for assault and battery and three for disturbing the peace.

ONE MEXICAN, in this country illegally, was held for immigration officials.

During the month, 346 misdemeanor complaints were investigated, the chief reported.

The police department went on the summer basis April 30.

Police vehicles travelled a total of 10,074 miles in April.

Village Liquor Licenses to Add \$72,000 To Local Tax Rolls as Result of Action Taken by County Assessor This Week

State liquor licenses valued at more than \$300,000 are being placed on the county tax rolls, Frank Burchfield, county assessor, revealed this week.

Burchfield said that, following an Orange County Superior Court decision that the permits are taxable property, his office is including them on the rolls at \$3000 for on-sale licenses and \$1500 for off-sale licenses.

AS THERE are 68 on-sale licenses and 77 off-sale licenses in Riverside county, according to the State Board of Equalization, the move will add more than \$300,000 to the total of taxable property.

There are four general, of all year, on-sale licenses in Palm Springs and 15 seasonal, or nine-month licenses here. Whether the seasonal licenses would be assessed at \$3000, too, or pro-rated on a nine-month basis, was not revealed. There are also ten off-sale liquor licenses here. In addition there are some "A" licenses (beer and wine) and some "B" licenses, beer only.

ON THE BASIS of the Orange county ruling, local licenses would be assessed \$72,000 as it is not believed the "A" and "B" licenses are included.

In instances where the licenses have not been transferred within the past two years the owners are being sent tax bills, Burchfield said, not only for the fiscal year 1948, but also for the years 1946 and 1947. He indicated that this follows the provisions of California law as to property which has been overlooked.

The Orange county decision is being appealed, and if it should be reversed any tax money collected on liquor licenses would have to be returned, according to the county assessor.

THE INCLUSION of the licenses on the tax rolls is being attacked on another front: several bills have been introduced in the Legislature which would exclude them.

Burchfield said that his office had arrived at the values they are placing on the two types of

Offices Opened by Adjustment Bureau in City

To offer better service to insurance companies and agents in this vicinity, the Fire Companies Adjustment Bureau, Inc., has opened a branch office in the Village in the Arcade at 457 North Palm Canyon drive.

Frank Chalfont heads the company and Herbert Haas will be branch manager in charge of the local office.

The Village branch will serve a large territory from Beaumont eastward and including the entire Palm Springs area.

Miss Koerner To Visit Relatives in Milwaukee

Blanche Rose Koerner, Villager for the past 21 years, left Tuesday for Milwaukee, Wis., where she will visit her mother, Mrs. Rozena Koerner and her brother-in-law and sister, Mr. and Mrs. Edgar O. Dixon. She will spend a month there and then go to Berkeley, Calif., to visit a brother, Robert J. Koerner.

She plans to go to Big Bear Lake in July to remain until fall when she will return to the Village to re-open her nursery school and music studio.

"That is," she said, "providing I find a place."

Local Yokels and Caddies to Stage Golf Tournament

The second annual Caddies' and Local Yokels' golf tournament is scheduled next Monday and Tuesday on the O'Donnell golf course, it was announced today.

There are no entry fees or greens fees and all that is needed is a small donation which may be made at the Golf Shop to help defray the costs.

The tournament was interrupted for four years by the war and got away to a fresh start last season.

ALL BUT ONE of the defending champions from last year will be on hand to defend their titles.

B. J. Bradford who negotiated the 36-hole course in 72-66-138 to win the Local Yokels' crown will not be on hand next year.

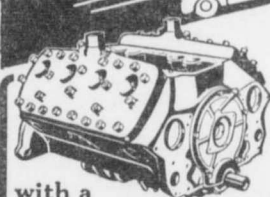

BUT BUCK HARRIS, who scored an 82-90-172-38-134 for low next honors will be on hand as will Righty Vogt and Al Gardello who finished in a dead-heat for the Caddies' title in 1946.

Vogt shot a 76-82-158 and Gardello a 78-80-158.

A large field is expected to tee off Monday in the tournament.

The prize example of understatement is that more than 300 kinds of games are played with balls. More than that many kinds of games are played with the golf alone.

COOKING HINT

REMEMBER THIS spring salad. Stuff fresh tomatoes with diced cucumbers and you'll have a grand salad. It's easy to prepare, low in calories, and tastes delicious when appetites lag.

HOUSEHOLD HINT

DON'T FORGET to keep a wet sponge near at hand when ironing. It makes it so easy to dampen spots that haven't been thoroughly sprinkled and makes your ironing look ever so much neater.

RECIPE

BANANA FRENCH DRESSING

- 1 teaspoon sugar 1/2 teaspoon salt
1/2 c. salad oil 1/4 c. pineapple juice
2 tablespoons lemon juice
2 ripe bananas, mashed
1/4 teaspoon nutmeg

Combine ingredients, beat, then chill. Shake thoroughly before using. This dressing is particularly delicious when used for any fruit salad.

TYPICAL—Here's a typical mountain cabin in the Idyllwild area, surrounded by towering peaks, tall trees and a bracing cool climate. The mountain playgrounds are only a comfortable ride from the Village and with the opening of the new Banning-Idyllwild road Sunday, a circle tour is provided—up one way, down the other.

Bror Dahlbergs Guests of Honor at Dinner Dance

Mr. and Mrs. Bror Dahlberg were guests of honor at a dinner dance given at the Tennis Club Sunday evening by Doctor and Mrs. Joseph A. D'Alessio of Palm Springs. Mr. Dahlberg is returning to Chicago while Mrs. Dahlberg is leaving within the next few days for New York. They have been house guests of Rudy Vallee at his Palm Springs residence.

The guests included Joseph W. Burns of Fulton, Walter and Halley, law firm of New York City and Washington, D.C. and formerly connected with the department of justice; Milton Dahlberg, Herbert Papock, Ila Merry Willing, well known French actress, and Mr. and Mrs. J. P. Seeburg.

Soroptimists to Meet in Charter Party on May 10

Charter night party of the Palm Springs Soroptimist club will be held tomorrow night at the Desert Inn at 8 p.m. and will climax a busy season of luncheons, conferences and heated discussions, by a small group of local executive business women, banded together for the express purpose of selecting an organization to promote the welfare and help their co-workers for the betterment of womanhood.

They finally, after much study and research, concentrated their interests on the American Federation of Soroptimist clubs, an association of classified service clubs for professional women of

American, Britain, and European federations, and offering the same opportunities for service and wider personal and business contacts that are afforded men by Rotary and other men's service clubs.

MRS. NELLIE COFFMAN has been selected as the honorary life member for this group and is expected to be present at the presentation of the charter. Many other prominent villagers will be present to offer their cooperation and good will to this group of women who have chosen to become a part of the most powerful women's service club in the world.

At the regular luncheon meeting at the Chi Chi, Tuesday, evidence of the interest aroused all over the United States and Canada and yes, even Hawaii, was manifested in the avalanche of congratulatory letters, telegrams, presents and cards which have arrived for the charter party and which were displayed by the president, Katherine Finney. Members of the Soroptimist club, their "soroptimists" and friends are looking forward to a pleasant and impressive evening in the beautiful outdoor dining room of the Desert Inn.

The original of the Rockefeller Foundation was \$182,814,000.

Do You Want Your Community Hospital IN POLITICS?

IN THEIR DESPERATE EFFORT TO DELUDE THE VOTERS OF PALM SPRINGS AND SABOTAGE YOUR COMMUNITY HOSPITAL, THE LEADERS OF THE SO-CALLED TAXPAYERS PROTECTIVE ASSOCIATION NOW ARE URGING AN ALTERNATE HOSPITAL PLAN THAT DEFINITELY WOULD THROW YOUR HOSPITAL INTO POLITICS!

This organization, apparently formed for personal profit and prejudice reasons, is urging the voters of Palm Springs to abandon their present Community Hospital which has rendered life-saving service to nearly 2000 persons in 14 months, and follow a will 'o the wisp into a special hospital district.

And, most amazing of all, this association which purports to "protect" the taxpayer, thus is in the ludicrous position of urging the formation of a new district that would lay on MORE PROPERTY TAXES! A special hospital district could do the following things:

1. Close your present hospital upon sale of the Torney Properties to private owners.
2. Raise your city property taxes perhaps 20 per cent.
3. Require a bond issue to build a costly hospital when building costs are running \$20,000 per hospital bed. (It would require \$1,000,000 to give you the present hospital capacity, \$4,000,000 to provide the same space as proposed under the Torney acquisition program.)
4. Throw the operation of your community hospital into politics by requiring the election of a board to operate it.
5. Make your hospital and its operation subject to the whims of politics and the demands of persons who could insist upon receiving its services free at YOUR EXPENSE.
6. Reduce its standards through political maneuvering until it would not be an accredited hospital.

What Taxpayers Are They "Protecting"?

Surely the only taxpayers who would be "protected" by this bold district scheme would be the ones who could buy and resell the \$1,500,000 El Mirador property.

The voters of Palm Springs have a right to know why a small group of men, whose motives are certainly subject to suspicion, are so desperate to confuse, delude, discourage and deceive the voters of Palm Springs so that they will sell their vital Community Hospital for a mere mess of pottage. You may be assured that to someone else its sale and resale to a private buyer would yield the 30 pieces of silver. Even a five per cent commission on \$1,000,000 would be \$50,000.

Sales Tax vs. Property Taxes

Under the acquisition plan as advocated by the Civic Center and Hospital Committee whose leaders stand only to gain more hard work and devotion to the welfare of the community from a victory at the polls May 20, the cost of buying these vital Torney properties would be borne by the City Sales Tax. It is paid by EVERYONE who buys anything in Palm Springs. Thousands of persons visit here annually, many of them in need of hospitalization. Is it unreasonable to ask them to pay a few pennies for the upkeep of the hospital which stands ready to aid them 24 hours a day?

Why should the cost of building a \$1,000,000 hospital and the defraying of its operating expense be laid grievously upon the owners of homes, stores and other property in Palm Springs, particularly when that property today is loaded to the breaking point?

The answer, of course, is obvious—the sales tax is the modern way of making sure that every citizen pays his proportionate share of government. And here we have the absurd picture of a taxpayers' "protective" group, desperate to accomplish its furtive ends in this campaign, recommending that your homes shoulder more taxes. You can defeat that daring scheme with a resounding "YES" at the polls May 20.

Not Before 1949—

And, too, this TPA group will not mention that a new hospital could not be built until late 1948. Not until next March could the district be legally placed on the assessment rolls, and not until July 1, 1949, would any of those NEW PROPERTY TAXES they would levy, be available to the district. Thus Palm Springs could look for a hospital, built at tremendous and exorbitant cost, sometime in 1949.

What happens to your children and your loved ones in the meantime? Must you face the problem of rushing them 55 miles in the middle of the night to Riverside or Redlands to save their lives? Do you think that such a risk is justified so someone can make a fat profit on the sale of your Community Hospital?

What of the Others?

Apparently this "protective" group now feels it has disposed nicely of your Community Hospital.

But what of the despoiled City Hall problem?

What happens to your free public health clinic serving the unfortunates unable to pay for medical and surgical attention?

What of your sorely-needed recreation center that helps take our children off the streets and away from the temptation of bars?

What of your Desert Museum which is now famed throughout the nation and which proves one of the greatest entertainment features for our winter residents—the people who keep Palm Springs alive?

The Civic Center and Hospital Committee is confident that the intelligent voters of Palm Springs will not snap at this bait with the hook concealed. These scores of unselfish, forward-looking people who can expect only more community service rather than a financial profit if this proposition carries at the election polls, urge the voters to inform themselves on these crucial problems.

aware of the fact that Harry Harper, secretary had been relieved of his duties at the chamber of commerce and was still drawing full pay. It also decried the use of the chamber of commerce offices in the current campaign, in behalf of the city, to purchase Torney General hospital.

Harry Harper at once rose to his feet and told those present that it was his belief Robert Ransom was the author of the post card and that, as far as controversial issues are concerned, the latter sanctioned participation by the chamber on three previous occasions.

HARPER also emphatically told those present that he had not been relieved of his duties at the chamber nor was that organization paying the bills of the campaign to acquaint voters with the issues behind the proposed purchase of Torney General hospital.

"As a matter of fact, I am not relieved of my duties at the chamber but am actually doubling up on my work in order to assist in the acquisition campaign as voted by the directors of the chamber. Furthermore," continued Harper, "all of the expenses involved, are being paid for by the Community Hospital association, which is faced with eviction if private persons other than the city purchase the Torney properties."

FLORIAN BOYD, Culver Nichols and Ernest Alschuler, were among some of the members who denounced the confusion they claim opponents of the Torney hospital proposition are trying to create in the minds of Village voters.

A canvas of the 54 members on

the proposal to buy Torney, revealed that all were in favor of the purchase, it was announced.

The Mason and Dixon line was surveyed between November 13, 1763, and December, 1767, by two Englishmen—Charles Mason and Jeremiah Dixon.

Vote Without
Prejudice, Plea

Speaking before the Palm Springs Lions Club in session at the Desert Inn yesterday, Harry C. Harper presented data on the proposed purchase by the city of the Torney General hospital property.

Outlining the proposition, he urged his listeners especially to make a close study of the issues and base their votes on the facts.

Many side issues have been brought out which tend to becloud the issue and he urged a thorough study so that all may vote without prejudice.

committee recommends that the present quarters be retained and enlarged under the Torney Acquisition program from revenue from the city sales tax.

"Why should the owners of homes be taxed as they would under the operation of a Hospital district? With the revenue from the one per cent sales tax, everybody helps to pay including the thousands of visitors here in the winter months," Lykken said.

IF THE DISTRICT plan were adopted Palm Springs would more than likely be without a hospital for two years, it was pointed out in the statement.

A district could not be formed until late in 1947 at the very earliest and the first taxes would not be available until July 1 of 1948. Then if construction actually got under way the new hospital would not be open until 1949.

The Christian churches are spending far too much time arguing about their differences while failing to recognize their common unity. The church suffers much from its enemies. It suffers more from its friends.—Rev. Dr. Gordon H. Baker of Brooklyn, N. Y.

Legion Puts Tentative O.K. on New Building

Hope to be Using New Structure in Fall Says Sanborn

Members of the Owen Coffman Post of the American Legion, in meeting Tuesday night, were shown revised plans of the Wars Memorial building, construction of which is expected to start within the next 30 days.

The new plans were tentatively accepted by the membership pending a few minor changes, according to Jerry Sanborn, commander.

Sanborn also announced that a finance committee charged with the task of arranging for additional construction funds was appointed Tuesday night. On the committee are Earl Coffman, Hilton McCabe and Levering Moore. Wednesday morning this group traveled to Riverside and Los Angeles to arrange for funds which will be added to the \$30,000 now in the Wars Memorial building fund.

NOMINATIONS for new officers of the Owen Coffman post were closed last night. Nominations of the nominating committee were accepted and one nomination from the floor for second vice-commander took place. As a result a run-off election will take place between Joe Henderson, the floor nominee and Wilbur Davis whose name was submitted by the nominating committee.

Sanborn said that there is hope that the Wars Memorial building will be in operation by the time fall rolls around and that the official dedication of the building will take place on Armistice Day. At a previous meeting the Legion voted to borrow an additional \$30,000 and it was this mission that the finance committee composed of Coffman, McCabe and Levering Moore were seeking to accomplish this week.

WHEN THE Wars Memorial building is constructed, according to Sanborn, the auditorium will have a seating capacity of approximately 450.

The new structure when completed will be featured by a well equipped kitchen, a lounge for the Ladies' Auxiliary and a lounge for the members of the Owen Coffman post. All meetings and ritualistic meetings will take place in the auditorium, it was said.

DON CABALLERO

DON CABALLERO was pretty busy sitting under a palm tree and floating in the pool last week, but he did manage to glean a little information about villagers and visitors. It constantly amazes us how gay and witty and energetic our friends become when the thermometer hovers around 100.

A NO-HOST dinner table at the Snow White Ball seated Mr. and Mrs. Rathburn Rees and their houseguests, Mr. and Mrs. Alfred Hunt of Beverly Hills, Mr. and Mrs. Richard Livingston, Mr. and Mrs. Kenneth Colburn and Mrs. Frances Blith of Indianapolis, Mr. and Mrs. Lee Bering, Mr. and Mrs. Oliver Jaynes, Mr. and Mrs. Douglas Kenaston, Mr. and Mrs. Tom Lyons, and Mr. and Mrs. Belmont Sanchez.

FRANK SITATRA was seen at the Doll House three nights in succession. Is he learning Felix's technique?

Also seen at the Doll House during the week were Leo and Ann Baker, Ted and Claire Reed, Dr. and Mrs. John Costello, John and Erna Lawler, Mr. and Mrs. Sam Stewart, and the Jack Lashley family.

MRS. FRANK CAMP gave a luncheon and bridge party at the Tennis Club on Wednesday.

Among her guests were Mrs. Edward Maggard, Mrs. Clarence Woodmansee, Mrs. Frank Cutler, Mrs. Eber Kanaga, Mrs. Karl Kump, Mrs. Roy Colgate, Miss Muriel Fulton, Mrs. John Jenkins, and Mrs. Harry Whitney.

ORCHIDS by air featured the table decorations when Terrance Ray entertained at the Tennis Club Snow White ball Saturday night.

His guests were Mrs. Priscilla Chaffey and Mr. and Mrs. L. T. Wiekhoeft of Santa Barbara.

Miss Strauss, Harold J. Davis Exchange Vows

"Music for the Party" for the next few days will be just for one party—and that is Mrs. Hal Davis.

For Harold J. Davis of the KCMJ staff whose biggest daily program is that party music broadcast, has a special audience now.

Miss Lorraine Strauss of Los Angeles became the bride of Mr. Davis at a quiet ceremony performed at 729 Calle de Marcus Tuesday afternoon at 4 o'clock. Only immediate members of the families were present.

Dr. B. B. Weatherall, pastor emeritus of Community church, read the vows.

Wallace Strauss was best man and Betty Conahan was bridesmaid.

Following the ceremony the happy couple departed for an unannounced destination for their honeymoon.

They will make their home, upon their return, for the summer months at the Calle de Marcus residence.

Prior to the war, 1,310,000 people were involved in automotive sales and servicing activities, more than three times the number holding auto factory jobs.

AMONG the many groups attending the Snow White ball at the Tennis Club Saturday night was one hosted by Mr. and Mrs. Vincent Marco.

Their guests included Dr. and Mrs. T. Robert White. Dr. White was the flight surgeon on the Doolittle raid over Tokyo during the early days of the war.

HOSTS TO A GROUP of their friends Sunday evening at the Doll House were Mr. and Mrs. Charles P. Skouras.

Mr. and Mrs. Skouras have been spending the winter here and in Hollywood where he is head of the Fox West Coast theatres.

Their guests Sunday night were Mr. and Mrs. Sol Lesser, Mr. and Mrs. Gertley, honeymooning here after their wedding in Philadelphia, Mr. and Mrs. M. Rosenberg and "Doc" Bradley.

OUR NEW NEIGHBORS

A hundred years ago the greatest westward movement in history began ... only a trickle at first, people began to flow into California in scattered numbers, by sailing vessel and prairie schooner. Today this human stream has become a mighty flood, and over the mountain passes people surge by thousands, in motor cars, in stream-lined buses and railroad trains, and over the peaks in giant planes, (hardly any around The Horn).

These people are our new neighbors. We welcome them and express the hope that they, too, will grow to love this favored land.

Their coming is a challenge which we cheerfully accept. To provide service for everyone is not an easy task, these days of material shortages, but step by step we are catching up, and in due time will be abreast of California's astounding growth.

**Community Church
To Honor Mothers,
Children, Sunday**

Combined services honoring Mother's Day and Children's Day are planned at Community church next Sunday, the Rev. James Blackstone Jr., announced this week.

The services will start at 10:30 a.m. and continue through the church hour. The Sunday school will not meet until 10:30 and will take part in the entire program.

SONG RECITATIONS and memorized Scripture passages will be presented by the beginners and primary departments in opening the service. Children taking individual parts in this service will be Diane Maynard, Pamela Gregg, Joel Butler, Caroline Green, Joan Cameron, Richard Reakes, Dick Blackstone, Marlynn Barick, Roger Williams, Pete Meyer and Sharon White.

Awards for memorizing the Scriptures will be made.

SPECIAL MUSICAL numbers by the junior choirs, the senior girls quartet, and a duet by Mrs. Violet Fowler and her daughter, Pat, will be featured.

A special Mother's Day poem will be recited by Miss Beverly Ransom.

The Sacrament of Baptism will be administered to children at this service.

At the evening service at 7:30 o'clock, the junior choir will be heard again and Rev. Blackstone will preach on the subject "The Responsibility of Christian Motherhood."

News behind the news: We're willing to wager an old "Landon for President" button that the publicity man who successfully staged the egg toss from the 11th story window onto a new type of rubber matting got a salary boost.

**Special Mother's
Day Services at
Episcopal Church**

Mother's Day will be observed in the Episcopal church of St. Paul's in the Desert with special music by the parish choir and the sermon by the Rev. Robert M. Hogarth, rector on "God's Altar Fires in the Home."

"Our national government established Mother's Day to be observed on this set Sunday, so that mothers and their children could attend church together and have this much-needed yearly reminder of the kindly presence of God, as the guardian and protector of the innate faith and hope of mothers and their children," the rector said. "The giving of presents on this occasion is a beautiful custom, especially when the children are far from home and mother, but the primary purpose of Mother's Day must always be the renewal in these human hearts of thoughts of old familiar things, the love of home and family and the constant protection of God."

The Episcopal Sunday school will continue in session through the month of May. The morning services at 8 and 11 will be held through June, and children remaining in town are urged to attend church with their families. The cooling system worked splendidly during the recent heat spell and everybody was comfortable.

**Palm Springs
Realty To Move
to New Offices**

Angelo Potenza of the Palm Springs Realty company today announced plans for moving his office to larger quarters at 260 North Palm Canyon drive on June 14. The company is located at present at 260 North Palm Canyon.

"This has been a busy season, so busy, in fact, that larger office space was made necessary," Potenza said.

"I want to thank all of our patrons for their support during the season, support which made us offer the larger and more convenient offices."

Idyllwild Growth Shown in Report Of Power Company

Electric service in the Idyllwild district of the San Jacinto mountains is available through the California Electric Power company which built a 33,000 volt steel tower line in to that mountain resort area in 1923. At that time, with the completion of the line, 130 meters were connected, and since the the resort has developed to the extent that power company now has 900 accounts. A permanent substation has been established at Idyllwild, and local service greatly improved. At the rate applications are being received from new prospective customers the company officials announce that they expect to connect at least 100 new meters during the year.

Softball League Chiefs To Draw Up Plans Tonight

Final plans for organization of a Softball League for the summer months here will be taken tonight at a meeting called for 7:30 o'clock at Bill Marvin's Sporting Goods store, 402 North Palm Canyon drive, according to announcement by Harold West, nightball commissioner here for the past three seasons. "Anyone interested in entering a team in the competition is urged to be on hand tonight," said West. "We plan to go over rules and regulations of play and to draw up a schedule." It is planned to get the league in motion the week of May 19. Nights on which games will be played will be decided on at tonight's meeting.

Fish and Game Group To Stage Big Fry May 17

Annual Fish Fry of the Palm Springs Fish and Game association will be held May 17 on the O'Donnell Golf course, it was announced by the association of which Harold Lineau is president, Wednesday. Tickets are available to the public at 402 North Palm Canyon drive, Bill Marvin's Sporting Goods Store, at \$1.50 the copy. Or they may be obtained from Clinton Bauer.

A large crowd is anticipated as members and Villagers remember the great times staged at previous similar events. "Enough fish for everybody and all that goes with them, is promised." "Get your tickets by May 14 and bring your own silverware and platter," the committee reminded Villagers.

\$100 Paid Here to Unemployed

Disability insurance benefits amounting to \$100, were paid to residents of Palm Springs during the past week, J. W. Bond, manager of the San Bernardino office reported today. Benefits paid to Palm Springs residents amounted to about one per cent of \$12,156 paid to wage earners in the San Bernardino office area, which embraces Riverside and San Bernardino counties. "Payments of disability insurance are made to persons who have become unemployed because of sickness or injury," Bond said. "Employees whose jobs are subject to the Unemployment Insurance law are automatically covered by the disability insurance provision of the act. Benefits ranging from \$10 to \$20 weekly are paid to eligible claimants."

Ohrt Rides Alone This Time, Makes Speedy Time Here

Hans Ohrt, well known southern California cyclist made his annual bicycle ride from Beverly Hills to Palm Springs Tuesday but this time he soloed.

For the past six years Ohrt and Mrs. Ohrt have been making the Beverly Hills-Palm Springs trip each spring but this year Mrs. Ohrt decided to rely upon a station wagon and Ohrt rode out on a single bike. It was first time he made the long trip lone-handed and pedaled here over a route of almost 130 miles, in 7 hours, 59 minutes elapsed time.

HE WENT WITHOUT a stop for 60 miles, when he reached Riverside where he breakfasted. From there on came the stiff pull up Box Springs grade and up the Jackrabbit trail. After negotiating that he stopped at Beaumont for a breather and then had easy sailing down-hill to Palm Springs, aided by a strong west wind. The bicycle he rode weighs but 23 pounds and has three speeds. The solo ride was done in two hours and 11 minutes faster than the Ohrts' best tandem time, 10 hours and 10 minutes.

THE OHRTS have had many experiences on their tandem rides, on one occasion being blown off the road twice by the strong winds prevailing in the desert area. Mrs. Ohrt brought their tandem down with her in the station wagon and Wednesday the Ohrts made their annual tandem ride to La Quinta. They are guests at the Desert Inn. Ohrt has instructed hundreds, including many film stars, in the art of bicycle riding.

Personalities

Marge Pohl, Phil Lanz, and Mr. and Mrs. Don Van Griff were seen having a gay time Saturday night at the Tennis Club, as were Harrison Wood, the Paul Beldings, the Ken Kirks, and the Billy Malouffs.

Visiting Gene Galloway over the weekend was Lt. J. G. Coleman of Maryland.

Stuart Barthelmess, handsome son of Richard, is a guest at the Racquet Club, as is Mrs. Hoagy Carmichael, and Fefe Ferry.

Virginia Farrell drove down for the weekend and dined with Mariadna Borden and Alice Clay Waterhouse at the Bombay on Sunday night.

Charles Jackson, author of best sellers "Lost Weekend" and "Fall of Valour" was seen at the Racquet Club with Mrs. Ira Gershwin and Irving Lazar.

It is nice to see Lois Earl back in town with "little Lois" who towers over her pretty mother. Mrs. Harold Bell Wright has returned from San Diego to her home on Moronga Road where she intends to stay through May. The John Lapps have returned from Hawaii where they saw the Warren Pinneys at the Royal Hawaiian hotel and visited the various other islands by air. They are now on their way to their home in Rochester, New York, this time by car.

Mr. and Mrs. C. K. Fulton were in Los Angeles this week, taking in the Southern California Tennis tournament, the Ice-Capades and the "Blackouts."

Elaine Beale of San Francisco is the house guest of Mrs. Mariam Richards. Mrs. Richards, who has spent the past three seasons here, will motor north with her guest next week and plans to spend the summer months in and around the Bay city.

There are six metals in the platinum group; platinum, iridium, osmium, palladium, rhodium and ruthenium.

Retired Detroit Automobile Man Buys Home Here

Sale of three properties in the Palm Springs vicinity was announced by Angelo Potenza of the Palm Springs Realty company today.

Mr. and Mrs. Harry Wolff of Detroit, Mich., were the buyers. He is a retired automobile manufacturer.

The property which changed hands in the transaction includes one on Cardillo road, the estate formerly owned by Mrs. Upham Bigelow and 40 acres on Indian road.

The Wolffs, who recently returned to Detroit, will spend the summer at their resort home in Lake Michigan and return here in the fall to make Palm Springs their winter home.

Plenty of Good Water Assured at Joshua Tract

James F. Whitehorn and Mrs. Stella McCutcheon, developers of Joshua Tree estates, a half mile west of the Joshua Tree community, were happy today as result of bringing in one of the biggest wells in the district.

It was their second attempt. Engineers found a "dry hole" in the first try and moved their rigging a short distance. The second attempt resulted in success greater than anticipated.

With a plentiful supply of pure water assured, building on the estates site will start at once, Mr. Whitehorn said.

Celebrating the GRAND OPENING BANNING-IDYLLWILD

Opening Ceremonies and Caravan Ride -- May 11

Join the Caravan - from Palm Springs to Banning - up the new highway to Pine Cove and Idyllwild - and return down the Palms to Pines highway

Our San Jacinto Mountains have outstandingly beautiful country. Here one sees Palm Springs far below in the distance as hikers rest at the top of the proposed tramway site.

Traveling over what is expected to become one of the most popular "circle drives" of Southern California, you are invited to make the Caravan trip on Sunday, May 11, from Palm Springs to Banning, then over the new highway to Stone Creek Lodge, Pine Cove, near Idyllwild, to attend the barbecue and ceremonies celebrating the opening of the Banning-Idyllwild Highway. . . . Following this you will then continue down the "Palms to Pines" Highway with its breath-taking sights of mountain to desert panorama, completing the "circle."

Tickets for the barbecue, which is being served by the Idyllwild Chamber of Commerce at cost, are available at the Palm Springs Chamber of Commerce.

This is our invitation to you, in Palm Springs and the entire desert area to join the gay caravan and help celebrate this achievement . . . drive up and enjoy a day you'll long remember!

SCIENTIFIC REFRIGERATION FIRST brought to the West by ACME 65 years ago

A great new era came to brewing back in the 80's with the invention of mechanical refrigeration. And ACME was the first to bring this "scientific wonder" to the West, with the installation of the first refrigeration machine to be installed west of the Mississippi. Thus, by scientific control of temperatures at every step in its production, ACME Beer's tangy flavor and sparkling refreshment are always the same. Remember: ACME Sells Out First... get yours early.

Party Tomorrow To Honor Members Of Junior Patrol

Fifty members of the Junior Traffic Patrol will be honored guests at a weenie bake and swimming party which is being arranged by Wally Waring. The event will be held Saturday with the feast at the Tramway Trailer park near Cathedral City and the swimming party at Smoke Tree ranch.

The Junior Traffic Patrol is sponsored by the Palm Springs Lions club.

According to Chief of Police A. G. Kettmann, the Patrol, played a big part in traffic safety at the schools this year.

"These outstanding young citizens will be given certificates at tomorrow's meeting as a reward for their great work," he said.

Glendale Couple Back at Scene of Honeymoon

Mr. and Mrs. B. J. Swart of Glendale were in the Village this week, renewing memories of their honeymoon which was spent here nine years ago.

They enjoyed an evening at the Tennis Club as guests of Mr. and Mrs. L. M. Cominator, 355 Valmonte del Sur.

They expressed regret that they had been out of touch with the Village for so long and expressed amazement at the growth.

To make sure that they will keep in close contact with Palm Springs in the future, they have already made advance reservations for next season.

H. S. Athletic
Letters Stolen

Police were wondering today whether some youth plans to pose as a Palm Springs high athlete or whether it was plain cussedness.

At any rate, they're investigating the breaking of a pane of glass in the trophy case at the high school and the theft of several athletic award letters—some with football, some with baseball and some with tennis insignia.

Lions Plan Trek to Anaheim Club

Palm Springs Lions plan their annual trek to Anaheim Friday, May 16, to be guests of the Anaheim club.

A motor caravan will leave the Village in time to reach Anaheim for the social hours, 4 to 6 p.m. preceding the dinner.

Lions planning to make the trip are urged to make reservations before May 13.

Community Hospital Notes

By BLANCHE TURONNET

These days the hospital seems to be in the same position as the student nurses waiting to see if they will "pass" or not. Just as they wait to receive their caps, it is waiting to see if it receives the "Yes" vote of Palm Springs citizenry.

Some one who does not want her name published, a generous soul, has donated a baby incubator, and that is a marvelous gift; the Board of Directors, the Medical Staff, Nursing Staff and personnel all say "Thank You" to this Lady Bountiful.

There were four new babies the past week, and it is a comfort to know that this fine incubator is there waiting for any baby who requires it.

Among the patients at the hospital since the last list was published were:

Ryvers Newland, Walter McWaters, Mrs. Lois Jones, Mrs. Ruth Prothro, Mrs. Anita Buckner, Mrs. Helen Fisher, Mrs. Jack Gohlstein, Mrs. Dorothy Cline, Miss G. Ranger, Miss Gladys Shannon, Miss Ethel Maddock, Peter McComb, Essex Douglas, Mrs. Myrtle Baldwin, James Glendye, Mrs. Susie Stearne, Mrs. Eldora Payne, Mrs. Joe Sandef-fer, Baby girl Stearns, baby boy Payne, baby girl Sandeffer, Mrs. Edward Magard, Mrs. Mary Stephens.

And again VOTE "YES" on May 20th—you may be the next one who will need this hospital.

Great groups of Monarch butterflies, fly all the way from Canada and northern U. S. to the Gulf states every autumn.

ATTENTION! Home Owners

Responsible, refined couple will care for home during summer in exchange for living quarters. Registered nurse. No children or pets. Finest Palm Springs residences.

Chairman Appeals For Quick Action In Fund Campaign

Chairman Stanley Rosin at a report meeting held today called for action on the part of his committee in winding up the drive for funds of the local chapter of the United Jewish Appeal Inc.

While the major portion of the allotted quota for Palm Springs had been raised there still remained a sizable amount to be collected and it was this part of the campaign that Chairman Rosin was particularly interested in bringing to a successful close by May 18.

Realizing that the season here was fast coming to a close and that many people would be returning to their summer homes all members of the committee were asked to contact all those who were not already contacted and also asked those people who for one reason or another were missed to please mail their contributions to him as well as all outstanding pledges made heretofore to headquarters at 418 S. Palm Canyon Drive as the need for funds was very urgent.

Piano and Voice Pupils Will Be Heard in Recital

A recital by pupils of Miss Lois Lux, piano teacher, and Mrs. Holly Lash Visel, vocal and dramatics teacher, will be presented Saturday afternoon at 3 o'clock at the Woman's clubhouse. More than 100 parents and friends are expected to be present.

To be heard in piano numbers are Kahnema Sanders, Russell and Nancy Schisler, Roberta Poliak, Carolyn and Donella Knapp, Eleanor Purcell, Marlene Markham, Jon Visel, Wendell Veith, Hazel Veith, Jack McDona-ld, Leo Rojo Jr., Frances Nash and Carl Groth.

Mrs. Visel's pupils who will be heard are Carol Malouf, Russell Meder, Marlene Markham, Nelson Visel, Eleanor Bradley, Pat Fowler and Donna M'Liner.

LaFleurs Sell Home But They'll Be Back

Mr. and Mrs. Ernest LaFleur have recently sold their home on Calle de Marcus and are leaving for Mendocino county for the summer.

Both are ardent golfers and spent much time on the O'Donnell course during the season.

They will return to Palm Springs October 15.

CORRECTION

In Tuesday's issue of The Sun, the pressure of the wrong key placed the wrong man into the position of treasurer of the newly organized Taxpayer's and Protective association. It should have been Henry S. Reid, Jr., not Henry S. Reid, Sr., as it appeared.

Palm Springs Personalities—

—By Barbara Schilley

(Photos by Bernard of Hollywood.)

MRS. JAMES S. KEMPER.

(upper right) has been a Palm Springs home owner for eight years, and last year purchased one of the loveliest homes in the village. Her permanent residence is in Illinois, where Mr. Kemper is in business, but both spend as much time as possible here. Mrs. Kemper is a member of the gardening ranks, but she claims only of the "general puttering around" variety. Mr. Kemper is one of the foremost men in the National Republican party, being treasurer of that group. Their son's dog, Bilge, can also lay claim to some fame, having been on an LST for three years and his dog collar now boasts ribbons and three battle stars. The Kempers are members of the Racquet and Tennis Clubs.

SUMMER residents of Pittsburgh and Palm Springs winterers, (upper center), Mr. and Mrs. Charles Lockhart have recently purchased a home here. Their daughter, Florence, attends Brownmoor School in Phoenix and son Charles is at

Francis Parker School in San Diego. The Lockharts have been coming to Palm Springs for several seasons now and added that they liked it much better than Florida, which is just what our Chamber of Commerce likes to hear.

ACTIVE In many women's activities in the village is Mrs. Gordon M. Clarke, (pictured upper right). Mrs. Clarke has just completed a term as secretary of the Woman's Club, was the club's representative of Welfare and Friendly Aid, is on the Community Hospital Association, is decorating chairman for the Community church and is parliamentarian of the Women's Circle, which makes Mrs. Clarke one of the busiest women in town. During the war she was occupied in another way, for being a registered pharmacist she helped out whenever and wherever necessary to help relieve the manpower shortage. The Clarks have purchased a home in Idyllwild and Mrs. Clarke, who is interested in home decoration, plans to spend time there this summer arranging it in her own artistic manner.

NOW GONE for the season, but anxious to return next fall to their home in Palm Springs, are the Raymond R. Wilsons (lower left). This summer the Wilsons will spend time in their Bel-Air home and in traveling. Mrs. Wilson's interests run along the artistic lines as she enjoys painting and flower decoration and the members of St. Paul's church have appreciated the decoration for the church she has done here. Mr. Wilson enjoys riding and golf and also spends time with the new Palm Desert project in which he is interested.

DELIGHTFUL Mrs. Perry Johnson (lower right), has one of those personalities that goes

hand in hand with having a multitude of friends and enjoying entertaining them . . . both of which she has and does and Mrs. Johnson is one of the foremost hostesses in the village. Her daughter Gail shares her mother's popularity and we expect to see her one of the popular debutantes. At present she attends La Roca School for Girls in Azusa, previously hav-

ing gone all through school in Palm Springs. Mrs. Johnson is interested in about everything, writing being one of her avocations. In the summer, Mrs. Johnson and Gail return to Longcroft, their lovely estate in Michigan, but this summer hope to also spend some time in Hawaii.
